

Not only debuting a new trailer for Marvel & Joe Johnston's Captain America: The First Avenger film, tomorrow's Hero Complex Film Festival will also be giving away a retro-minded poster, created essentially for cast & crew members. With credits to artist Paolo Rivera, you can now check out the poster below and more details on the giveaway lower! Marvel Studios printed up 100 copies of a special poster just for the cast and crew of "Captain America: The First Avenger" and we'll be giving away five of them on Sunday at the Hero Complex Film Festival in Hollywood. Captain America: The First Avenger focuses on the early days of the Marvel Universe when Steve Rogers volunteers to participate in an experimental program that turns him into the Super Soldier known as Captain America. As Captain America, Rogers joins forces with Bucky Barnes and Peggy Carter to wage war on
