

Thanks to Collider, we have this really, really cool unofficial/unused poster for John Carter, helmed by Wall-E and Finding Nemo director Andrew Stanton. Name of the actors, writers, director, Carter going up towards the sky, lighting around him.. It's great. Wish this was the official one, to be honest. Poster was made by Hopko Designs. Check it out: Starring Taylor Kitsch, Lynn Collins and Willem Dafoe, Mark Strong, Bryan Cranston, James Purefoy, Dominic West, Thomas Haden Church and Ciarán Hinds. John Carter is set to hit theatres on March 9!
