

Like many big-budget comic book movies, Matthew Vaughn's X-Men: First Class prequel had a lot of never-used promotional material finding themselves online lately. And the latest promo material, via Tumblr, features actor Nicholas Hoult, in the mutant form of his role, 'Henry McCoy,' better known as the 'Beast.' Check out the six cool images below. X-Men: First Class charts the epic beginning of the X-Men saga, and reveals a secret history of famous global events. Before mutants had revealed themselves to the world, and before Charles Xavier and Erik Lensherr took the names Professor X and Magneto, they were two young men discovering their powers for the first time. Not archenemies, they were instead at first the closest of friends, working together with other Mutants (some familiar, some new), to stop Armageddon. In the process, a grave rift between them opened, which began the eternal war
