

The words "Lara Croft cosplay" do tend to get male fanboys paying attention. Hell males full stop. So here are a selection of literally dozens of awesome pics of Illyne as the pneumatic video game hottie. This girl really puts her heart into her cosplay as you can see from some of these daringly snapped images.. Check out lots more pics of Illyne as Lara as well as Sweet Pea from Sucker Punch and Scarlette from Mortal Kombat at her Deviant Art page. By TwitterButtons.com
