

We've featured Adam Jay's work here on CBM in the past a few times now (find those previous photoshoots [HERE](#), [HERE](#) and [HERE](#)) and his latest focuses on X-23 and Wonder Woman, as modelled by the lovely Sarah Scott. Below is just a sample of the photos, so be sure to click on the link at the bottom of the page to view the full gallery and to check out even more of Adam's work at his official Facebook page, "SuperHero Photography". Don't forget to "Like" his page to stay up to date with his work and find him on Twitter at @SuperheroPhotos.
