

A hot male cosplayer is a rare species indeed. I've scoured the interwebs searching for not only male cosplay, but HOT male cosplay. Apparently you can't just Google image search "hot male cosplay" as this is what you get: I mean, really?? This is definitely NOT what I was hoping for. But after hours of searching through random blogs, tumblr accounts, chat rooms, and the occasional porn site (I swear I did not mean to click that ad), I think I have rounded up some pretty hot geeks of the manly persuasion. Check it out ladies (and discerning gentlemen) and tell me what you think! Also, do you have a hot male cosplayer in your life? Show us! Don't keep all that geeky goodness to yourself! Holy hotness, Batman! Love a man in uniform. Oh, Doctor! Is that a gem of Cytorak in your pocket or are you just happy to
