

Photographer Adam Jay has been in touch to share the following images taken last December of cosplayers "Iam Logan", "Max Power" and "Alexia Jean Grey". These are just a some of the best and you can find many more by at the SuperHero Photography website. Be sure to also "Like" them on Facebook by clicking [HERE](#) (which will entitle you to a discount with our friends over at SuperHeroStuff) and find them on Twitter [HERE](#). Adam Jay is a self confessed wannabe SuperHero. He dreams of having almighty god like powers to battle his day to day challenges but alas he is without any. BUT, there are others out there who do possess such abilities and armed with his trusty camera he scours the Globe looking for these immortals.
