

The following Tweet comes from a professional sound recordist/Boom operator that (appears) to have been working on the movie.. 'The Dark Knight Rises': Inside Info, they are Building 2 Attack Helicopters in the same design as the Bat Mobile from The Dark Knight! BOOM I'm trying to find out a bit more about this but for now take it as a rumor. If Batman's latest vehicle was to be some kind of attack copter how would you feel about it? By TwitterButtons.com
