

While the The Amazing Spider-Man is currently filming, there is a casting call for a female role in Marc Webb's upcoming reboot. We know that Emma Stone will play the lead role as Gwen Stacy but could Mary Jane Watson appear in the film also? SuperHeroHype has more info: "SuperHeroHype has learned that a casting call has gone out for that very part under the film's secret title, "Fiona's Tale." The exact description calls for an, "actress to portray beautiful red-headed teenage girl for featured background...(18+ only)". Interested candidates are encouraged to apply at FTexttras@gmail.com ." So, what do you think? Could we see Mary Jane as a suporting character, and maybe they are setting everything up for future installments? Share your thoughts below. Starring Andrew Garfield, Rhys Ifans, Emma Stone, Martin Sheen, Irrfan Khan and Sally Field, The Amazing Spider-Man is set to hit theatres on July 3, 2012.
