

Check out these series of interviews from Jon Favreau with the iconic Harrison Ford. Parts of these interviews had me in stitches. Cowboys & Aliens is an upcoming 2011 American science fiction Western film starring Daniel Craig, Harrison Ford, and Olivia Wilde. The film, directed by Jon Favreau, is based on the 2006 graphic novel of the same name created by Scott Mitchell Rosenberg. Cowboys & Aliens is scheduled to be released in the United States and Canada on July 29, 2011. Synopsis: In 1873 Arizona, a loner named Jake Lonergan (Daniel Craig) awakens with no memory of his past and a mysterious shackle around his wrist. He enters the town of Absolution where he learns that he is a notorious criminal wanted by many people, including Colonel Dolarhyde (Harrison Ford), who rules the town with an iron fist. Absolution soon faces an even greater threat when alien spaceships attack the
