

This is one of those "big name all over it but not actually directing it" type deals, as CBM favorite Guillermo Del Toro 'presents' this new supernatural horror movie, Mama. In fairness, this one does look decent. Let us know what you make of it in the usual place.. Andres Muschietti directs Mama as his first big film from a script he co-wrote with his sister and producer Barbara Muschietti and "Luther" writer Neil Cross. Guillermo del Toro presents this supernatural thriller that tells the haunting tale of two little girls who disappeared into the woods the day that their parents were killed. When they are rescued years later and begin a new life, they find that someone or something still wants to come tuck them in at night. Mama hits theaters January 18th, 2013.
