

This latest look at NBC's Powerless features a riff on the classic "it's a bird... it's a plane" Superman reference, as Crimson Fox's battle with a mysterious supervillain causes some problems for Emily Locke (Vanessa Hudgens) and her pals. We then get some shots from the previous promo, as the team tries to come up with new ways to protect themselves against the city's super-powered individuals. What do you guys make of this? Looking forward to Powerless? In a world where humanity must cope with the collateral damage of Super Heroes and Super-Villains, Emily Locke (Vanessa Hudgens) begins her first day as Director of Research & Development for Wayne Security, a subsidiary of Wayne Enterprises that specializes in products that make defenseless bystanders feel a little safer. Full of confidence and big ideas, Emily quickly learns that her expectations far exceed those of her new boss (Alan Tudyk) and officemates, so it will be up to her to lead the team toward their
