

Green Arrow Artwork by Robert Atkins That sounds like very good news for Arrow, which is CW's reinterpretation of DC Comics' Green Arrow character. The show has been described as a darker grittier tale, with elements of the Bourne films mixed into it. The potential series revolves around former billionaire playboy Oliver Queen who, after being marooned for five years on a remote island, returns with a mysterious agenda and a lethal set of new skills that he uses in a war on crime. CW's Arrow stars Stephen Amell as Oliver Queen/Green Arrow, Katie Cassidy as Dinah "Laurel" Lance, Susanna Thompson as Moira Queen, and David Ramsey as John Diggle.
