

Thanks to Digital Spy, we have the following interview with The Walking Dead's Danai Gurira; the actress cast as 'Michonne' after the iconic character made her anonymous debut in the closing minutes of the season two premiere. Below are a few key excerpts, but be sure to click on the link at the bottom of the page to read the interview in full. The Walking Dead returns to AMC on Sunday, October 14th. On How The TV Version Of 'Michonne' Differs From The Comic Book Version: It's been a lot of love, so that's really been the overwhelming experience I've had. People are really excited that she's finally alive and they can see who she's alive through. It's just been an overwhelming amount of love I have received from people, from fans of the book and the show. We all know that the TV show has never literally interpreted the book - it
