

While we've had plenty of photos and interviews, it's been a long time since fans have seen any new footage from Marvel and Netflix's Iron Fist. That changes today, as a brand new trailer has arrived for the final Defender's solo series. The trailer offers a host of breathtaking footage, including snippets of Kun-Lun, the death of Danny's parents, plenty of martial arts action, the Meachum family, and the appearance of the enigmatic Madame Gao from Daredevil. Still no sign of that classic costume, but that will probably be saved for the series release. Check the trailer out below and let us know your thoughts! Iron Fist hits Netflix on March 17, 2017. Fifteen years after being presumed dead in a plane crash, Danny Rand (Finn Jones) mysteriously returns to New York City determined to reclaim his birthright and family company. However, when a long-destined enemy rises in New York, this living weapon is forced to choose between his family's legacy and his duties as
