

We've featured quite a few images from the set of Marvel and Netflix's The Defenders over the last while, but now we finally have our first look at Charlie Cox as the returning Matt Murdock/Daredevil. The pics were shared by a Charlie Cox fan account on Twitter, and also feature Krysten Ritter's Jessica Jones, who is nothing if not consistent with her wardrobe. It remains to be seen what ultimately brings these two heroes together, and how they function as part of the same team - but something tells me it's going to take them a while to get on the same page, with the more level-headed Luke Cage serving as peacekeeper, perhaps? Click here to see the rest of the images. The Defenders is set to premiere on Netflix sometime in 2017.
