

Images Courtesy of www.gorgeouspfeiffer.com (Click Images to Enlarge) Image Courtesy of Johnny Depp Reads Fans of Dark Shadows will love the four colors—named after major themes in the dark comedy. Mysterious Curse is an iridescent purple for the complicated love/rage of Angelique Bouchard, the witch who dooms Barnabas to life as a vampire. Buried Alive, a copper brown shimmer, represents the two centuries of Barnabas's solitude (though we can't promise it will stay trendy for that long). If you buy one color from the collection, make it Grave Mistake, a macabre red that's just normal enough for every day wear (though normal is relative, right?). And if you're not quite ready to embrace the Goth trend, try Decades of Dysfunction, a creamy pink that is definitely hiding some serious family issues underneath. The collection won't be available until May (you heard it from us first). But beginning April 1, log onto Orly's Facebook page
