

Many fans have been anticipating the trailer for Tim Burton's Dark Shadows for a while now. The movie opens May 11th so it was a bit strange that we hadn't seen something from it already. Well this Thursday the 15th of March we will see the very first trailer on the Ellen Degeneres show. From her website.. Also, Ellen has the exclusive trailer for the new Tim Burton film, "Dark Shadows," starring Johnny Depp, Michelle Pfeiffer, and Helena Bonham Carter! Now if you don't relish the idea of sitting through that to see it fear not, it will most likely be online soon after, and if so you will most assuredly catch it first here on CBM. This May, Tim Burton and Johnny Depp team up to bring us their re-imagining of the classic series DARK SHADOWS. The story of Barnabas Collins and his Collinsport companions has enthralled audiences since it first aired in
