

For ages, Green Lantern: The Animated Series fans have waited for Sinestro to appear, and now we finally have our first look at him, as well as an orange-colored Hal Jordan who may be possessed by the power of avarice. It also contains new footage from DC Nation's animated shorts. The Young Justice: Invasion portion gives us great new looks at a lot of new characters who may be joining the roster. All three shows return tomorrow on Cartoon Network. Click [HERE](#) for a YouTube link. [Click To Enlarge]
