

We have new T-Shirts from DC's "New 52" comic book universe! DC performed a very soft "refresh", changing the DC landscape forever. The characters remain, but the story has changed...ever so slightly. For example: the Court of Owls; a secret society permeating Gotham city's history. A society plaguing Bruce Wayne's ancestry and existing without Batman's knowledge. Well, without his knowledge up until their "emissary" pushed Bruce off a building. Or, if you are more of a Wonder Woman fan we have a maroon t-shirt that features a print of the symbol from DC's exciting Wonder Woman New 52 Relaunch, spearheaded by Brian Azzarello and Cliff Chiang. Show the world you're proud to have stuck by Diana over the years...all the should-I-or-shouldn't-I questions, the trials, the tribulations, the TV shows (both successful and not-so)...and of course, all the costumes! In addition to our new T-shirts we have these awesome ladies costume T-Shirts.
