

Who is DEATHSTROKE? DEATHSTROKE is Slade Wilson, he was genetically augmented to be the perfect soldier, he is ruthless and cunning. He is a great combatant and weapons master. He first appeared in New Teen Titans (vol. 1) #2 (December 1980), and was created by Marv Wolfman & George Pérez. DEATHSTROKE the Terminator first appeared in 1980, in the pages of New Teen Titans. He was originally introduced as "the Terminator", a mercenary who was completing the terms of a contract undertaken by his son, Ravager, who died battling the Titans. DEATHSTROKE as he first appeared DEATHSTROKE was imbued with enhanced physical powers by secret army experiments attempting to create metahuman supersoldiers for the U.S. military, DEATHSTROKE became a mercenary soon after the experiment when he defied orders and rescued a friend, who was sent on a suicide mission. [Captain America's on the phone he wants his origin back.] After an incident where
