

If you were wondering why only Erik demonstrated his power to Angel in that strip club scene from X-Men: First Class it's because the rest of the scene, in which Charles also shows the young Mutant what he can do, wound up on the cutting room floor. No embed for now I'm afraid, click on the image below to check it out Funny stuff. You can see this and much more on the X-Men: First Class Blu-ray/DVD which hits shelves on September 9th.
