Denis Leary plays Captain Stacy, the father of Emma Stone's Gwen Stacy Marvel comics character in the movie. Leary that appeared on Access Hollywood Live on Wednesday (via Comics Continuum), said about how he will look in 3D on film. "This nose is going to look huge when Spider-Man comes out. A lot of kids are going to be scared." he joked. Leary also praised Spider-man stars Emma Stone & Andrew Garfield. "They are both just fantastic." Leary then went on to say that his favorite comic book movie franchise has been Batman. He loved Michael Keaton's Batman, but he said Christian Bale has become his favorite movie Batman. "He is just so intense." LEEE777 - Top actor and great on Rescue Me, they can't go far wrong casting him as Captain Stacy!
