

We already know that a second trailer to the highly anticipated Transformers finale will debut this week, being attached to Fast Five and in 3D with Pirates Of The Caribbean: On Stranger Tides. But now we have some details surrounding the trailer's debut. From ScreenRant.com: According to a comment from Shoot for the Edit admin, Nelson, the new full length Dark of the Moon trailer will debut on Apple at 7pm EST on April 28th – prior to Fast Five midnight screenings. Furthermore, Albert Film Ratings has confirmed that the trailer itself (not the final film) has been rated PG and runs 2:24 in length. Transformers: Dark Of The Moon hits theaters July 1st, later this year!
