

Released in theaters last October, Real Steel (directed by Shawn Levy and starring Hugh Jackman, Dakota Goyo and Evangeline Lilly) managed to gross over \$251 million worldwide and over \$83 mil. domestically, despite a 58% rating from Rotten Tomatoes. Now, with a possible sequel on the horizon, Dreamworks/Disney has announced that the movie will be released on DVD/Blu-Ray January 24th, 2012. The film will additionally be released in two HD options - a two-disc Blu-ray/DVD combo pack and a three-disc Blu-ray/DVD/Digital Copy version. Below are the bonus features that will be available on both formats, courtesy of Blu-Ray: Four featurettes: - Countdown to the Fight: The Charlie Kenton Story - Sugar Ray Leonard: Cornerman's Champ - Making of Metal Valley - Building the Bots Deleted and extended scenes with introductions by director Shawn Levy: - Extended "Meet Ambush" - Deleted "Butterfly" Storyline Bloopers Click here to preorder your copy of the film, if you haven't done so already. Real Steel hits DVD/Blu-Ray
