

Thanks to Batman-News, we have a new look at Gal Gadot in Wonder Woman, and as you can see, she's standing out from the crowd with a blue dress which ensures that she's the only person at that party people are paying attention to. This is a scene which was actually featured in the first trailer, and we know it's here she probably attempts to take out Danny Huston's mysterious villain with God Killer. "Before she was Wonder Woman, she was Diana, princess of the Amazons, trained to be an unconquerable warrior," a recently released synopsis for the movie teased. "Raised on a sheltered island paradise, when an American pilot crashes on their shores and tells of a massive conflict raging in the outside world, Diana leaves her home, convinced she can stop the threat. Fighting alongside man in a war to end all wars, Diana will discover her full powers...and her true destiny." Wonder Woman also stars Chris Pine, Robin Wright, Danny Huston, David Thewlis,
