

Earlier this year, it was revealed that the candidates to helm the Captain America sequel had been narrowed down to George Nolfi (The Adjustment Bureau) and the Russo Brothers (You Me And Dupree). At the San Diego Comic-Con, Anthony and Joe Russo were finally confirmed as the directors of Captain America: The Winter Soldier. "It sort of came out of the blue, but [Marvel] were big fans of Community," Anthony Russo told IGN Movies at the Television Critics Association press tour. "You can sort of draw a line between some things we did on Community and a Marvel movie. I think if you look at some of the big genre episodes -- you know, the paintball episodes, etc. -- there's a cinematic sensibility being explored there that is in the language of those films." So, that may explain Marvel's somewhat unconventional choice of the Russo Brothers to helm Captain America: The
