

Thanks to Hey U Guys, we have the following press release from Disney confirming the production has finally begun on Disney's The Lone Ranger after a troublesome few months which at one point saw the film postponed due to budgetary concerns. Are you looking forward to the movie? Sound off with your thoughts in the usual place. **DISNEY AND JERRY BRUCKHEIMER FILMS' EPIC ADVENTURE "THE LONE RANGER" BEGINS PRODUCTION** Johnny Depp, Armie Hammer and International Cast Star in Thrilling Reinvention of Classic Tale Produced by Jerry Bruckheimer and Directed by Gore Verbinski **BURBANK, Calif.** (February 27, 2012) — Production has commenced on location in New Mexico, Arizona, Utah and Colorado on Disney and Jerry Bruckheimer Films' epic adventure "The Lone Ranger." The film reunites the filmmaking team of the first three "Pirates of the Caribbean" blockbusters—producer Jerry Bruckheimer and director Gore Verbinski—with Johnny Depp, who created Captain Jack Sparrow in his iconic, Academy Award®-nominated
