

The website mousesteps.com has a three pages worth of the wonderful artwork that is on display at the Magic of Disney Animation building. Disney is showcasing a brilliant array of artwork for Brave and this is just a sample. Click the link above to see even more. Hopefully Brave will help Pixar recover from their unexpected hiccup with Cars 2. A movie that for the first time showed that even Pixar doesn't get it right all the time. Directed by Mark Andrews and Brenda Chapman, and produced by Katherine Sarafian, "Brave" is a grand adventure full of heart, memorable characters and the signature Pixar humor enjoyed by audiences of all ages. The film takes aim at theaters on June 22, 2012, and will be presented in Disney Digital 3D™ in select theaters. Synopsis - Since ancient times, stories of epic battles and mystical legends have been passed through the generations across the rugged
