

The animated TV sequel to 2014's Big Hero 6 will retain all of the voice actors from the film including Maya Rudolph, Jamie Chung, Scott Adsit as Baymax, Alan Tudyk, Ryan Potte , Genesis Rodriguez , David Shaughnessy and the immortal Stan Lee. Guest actors include Jenifer Lewis, Andrew Scott and Andy Richter. The sequel doesn't have an exact premiere date just yet but is confirmed for a 2017 debut on Disney XD. What are your thoughts on Big Hero 6 receiving a TV series rather than a true film sequel? If you were on the fence, does the fact that the original movie voice cast is returning allay those doubts?
