

Speaking with RIA News, the head honcho of Walt Disney Company's headquarters based in Russia, Marina Zhigalov-Ozkan, expressed strong interest in bringing the stars of Marvel Studios' Joss Whedon-directed superhero flick The Avengers to town for next year's big premiere. Read the (Google-translated) quotes below. "Now it is difficult to promise anything, but we hope that we can bring to Russia to visit for the first time and Scarlett Johansson and Robert Downey Jr. and Samuel Jackson, and director, in general, all the key people who worked on the This picture, "- said Zhigalov-Ozkan. She added that these plans have the support of the company's headquarters, as Russia has in recent years become one of the largest markets for theatrical rental. "The film" Pirates of the Caribbean: On Stranger Tides "is a proud second place in the Russian market for the domestic box office history after" Avatar "- stated the head of" Walt Disney
