

Following a batch of deleted scenes, Marvel has released another couple of extra feature vids from the upcoming home release of their latest block-busting adventure, Doctor Strange. The first is a brief blooper reel, which, to be honest, really isn't as funny as some of the other ones we've seen over the years. Perhaps there'll be a longer version on the Blu-ray itself? The behind-the-scenes &quot;The Astral Form&quot; featurette is well worth a look, however. Doctor Strange arrives on Digital HD/3D and Disney Movies Anywhere on Feb. 14, and then hits Blu-ray 3D, Blu-ray, Digital SD, DVD, and VOD Feb. 28. From Marvel comes DOCTOR STRANGE, the story of world-famous neurosurgeon Dr. Stephen Strange whose life changes forever after a horrific car accident robs him of the use of his hands. When traditional medicine fails him, he is forced to look for healing, and hope, in an unlikely place – a mysterious enclave known as Kamar-Taj. He quickly learns that this is not just
