

Thanks to the Blu-ray.com forums, we have a first look at both the Blu-ray 3D cover for Doctor Strange along with a list of special features giving us an idea of what we should expect from the Sorcerer Supreme's highly anticipated home release. Sadly, a full list of deleted scenes aren't detailed here, but it sounds like a pretty standard assortment of featurettes that we've come to expect from these films. - Gag Reel - Intro - The Composition Of Reality - Marvel Studios Phase 3 - Strange Company: Cast & Crew - Strange Soundtrack - Strange Transformation - Stunts & Visual Effects - Team Thor: Part 2 - Additional Scenes Chances are this list isn't final, especially as Scott Derrickson has confirmed on Twitter that we'll be getting a Director's Commentary. What are you excited to see from Team Thor: Part 2? It's possible that this is the one released online by Marvel Studios, but the mention of "Part 2" definitely indicates that this will be a follow-up to the original which
