

With Doctor Strange now just one month away, it looks like we can expect plenty of revealing TV spots over the next four weeks. The latest features some really cool new footage from the highly anticipated release as the titular hero jumps through some pretty mind-bending constructs and uses his Cloak of Levitation (which seems to take a liking to him) against the villainous Kaecilius (Mads Mikkelsen). **SPOILERS: LUKE CAGE - 10 Awesome Easter Eggs You May Have Missed** Doctor Strange follows the story of neurosurgeon Doctor Stephen Strange who, after a horrific car accident, discovers the hidden world of magic and alternate dimensions. Set for release on November 4th, later this year, the cast includes Benedict Cumberbatch, Chiwetel Ejiofor, Rachel McAdams, Benedict Wong, Michael Stuhlbarg, Mads Mikkelsen, Tilda Swinton, and maybe even Robert Downey Jr.
