

“One of the illusions of life is that the present hour is not the critical, decisive hour. Write it on your heart that every day is the best day in the year. No man has learned anything rightly, until he knows that every day is Doomsday.” --Ralph Waldo Emerson A feature on Doomsday. Answers the questions - Who it is? What are its abilities? What are the changes it underwent? Who has portrayed it in Comic Book Movies? --> With a new Superman movie flying its way to cinemas soon, it would be nice if we could see a character who could match or overpower the Man of Steel. Doomsday would provide that challenge to the Last Son of Krypton. But for those who has no idea who Doomsday is, here's a brief feature on it. Who is Doomsday? Doomsday was best known for bringing death to Superman. It is a creature
