

Thanks to StarkIndustries.ru, we have the DVD cover art for DC Animation's next home video feature, The Dark Knight Returns: Part 1, the first part in the animated re-telling of Frank Miller's famous graphic novel. Check out the art down below. The Dark Knight Returns is set in a near future where Batman is retired and Gotham City has slid into a dystopian state ruled by a gang of hooligans called The Mutants. The 55-year old Bruce Wayne is forced to don the cape once more, this time partnering with a female Robin to not only stop the Joker but keep the peace when the city falls into chaos after being hit by an electromagnetic pulse. The Dark Knight Returns: Part 1 will be available on DVD/Blu-Ray/Digital Download October 23rd.
