

Become Captain America(TM), the ultimate Super-Soldier, as you face Red Skull's army in this gripping original third-person action adventure set in the darkest days of World War II. Wield Captain America's legendary shield to take out enemies at a distance, interact with your environment, and deflect incoming fire back at foes as you traverse Hydra's massive castle to save the world from Cap's villainous archenemies. Get ready to hurl yourself shield-first into the fray. Create your own superhuman feats with the superior force of the world's first Super-Soldier at your fingertips. Exclusive E3 2011: Captain America Prologue Trailer (CG). Captain America: Super Soldier will be released on July 19!
