

From fan reactions to the numerous reviews online, it would appear that reception of The Dark Knight Rises is a sort of mixed bag. Many who enjoyed Batman Begins and The Dark Knight found The Dark Knight Rises underwhelming. Even I, a huge Batman fan, left the IMAX Theater after the Midnight showing underwhelmed. I recently went back twice to watch the film in regular format to give it another go. I enjoyed it more the second and third time. From the repeat viewings, I'd like to share with you what I believe would have elevated this film from "satisfying ending to a terrific trilogy" to "the best damn ending to an amazing trilogy".

THE ACTION

Firstly, the second Batman versus Bane fight should have been longer and more emotional. The first fight between the two was amazing. Great choreography, beautiful cinematography (thanks to Wally Pfister), and all manner of emotions
