

So recently, it has been revealed that AIM will have at least a cameo in Iron Man 3, which has brought up a conflict on whether M.O.D.O.K should ever be introduced into the Marvel Cinematic Universe. My thoughts, well that depends on how he looks and acts. If he is the stupid, laughable character from the comics, then count me out! He would need to be more scary than funny. So a big, fat NO to this one! If he looks like this, I might like him. The design is pretty cool, but I don't know. It depends on how he would act. Now if he looked like this, yes, yes, yes! This would, in my opinion, be the best way to bring M.O.D.O.K to the big screen. He looks scary enough(and hopefully would act scary). Now remember, this is how I feel he should look(and act). Now to his story. Comic Origin George Tarleton is
