

It has been conceded that despite Smallville's spectacular ten season run, it is chalk full of horrendous (for the lack of better word)things. Even a hardcore Smallville fan and comic book movie fan in general, I realize that Smallville, in any account, is not the best show. In this article, I will discuss SOME of the bad moves that the Smallville execs have made throughout the run. However, it should be noted that any special effects or other things that may be limited by budgets, will not be accounted for in here. This is an editorial and everything here is MY opinion! Whitney Fordman While I've enjoyed the character Whitney Fordman in the first couple episodes of Season 1 (especially the first episode), I found that his character plot ran out rather quickly. I really thought that the jock boyfriend of Lana Lang did not have to be a starring character. It would've
