

Let's think. You're Marvel. You have just made cinematic history by bringing together a multi-franchise cast of characters to gather in one film, Marvel's The Avengers. What should you do now? Making an Marvel's The Avengers 2 is invertible but is it all of Phase 2? Lets see what we can piece together. Naturally most of you have heard about a little film called Guardians Of The Galaxy by now. As announced at the last SDCC, Guardians Of The Galaxy is headed to a theater near you in 2014. Okay, so this means that Peter Quill, Rocket Raccoon, Drax, Gamora, and Groot are all going to appear in Marvel's The Avengers 2? No, of course not, that's silly and stupid. But if you take it that Marvel Cinematic Universe is framed around the Avengers that's what you'd have to think. Marvel's The Avengers 2 already will have its hands full of characters
