

So far, Marvel Studios' films have mostly had solid villains. The greatest of them is clearly Loki (Tom Hiddleston), who was the antagonist in Thor and this summer's The Avengers (he will also return for next year's Thor: The Dark World). Red Skull (Hugo Weaving, Captain America: The First Avenger) and HYDRA, Iron Monger (Jeff Bridges, Iron Man), Abomination (Tim Roth, The Incredible Hulk), Whiplash (Mickey Rourke, Iron Man 2), Justin Hammer (Sam Rockwell, Iron Man 2), Frost Giants (Thor), and even Thanos (Damion Poitier, The Avengers) have all made appearances in the MCU. Future villains include Iron Man 3's Mandarin (Ben Kingsley) and Aldrich Killian (Guy Pearce), as well as Thor: The Dark World's Malekith The Accursed (Christopher Eccleston). Of course, there are many great Marvel villains that need to have their turn on the big screen. Below, I listed nine villains (technically ten) who I would love to see
