

In an interview with Collider, writers Edward Kitsis and Adam Horowitz talk about their work on Disney XD's upcoming animated series TRON: Uprising (which takes place between the two TRON films). The duo reveal what they were excited about showing in the animated series that they couldn't in TRON: Legacy, while Kitsis also (briefly) discusses the two's involvement with the proposed sequel to Legacy. On Exploring More Of The TRON World In Uprising: Horowitz: "In writing Tron: Legacy, we had two hours to tell a story and a world that was so exciting and rich to explore. Tron: Uprising has been an amazing opportunity to explore the time between Legacy, when we see Klu overthrow Flynn and Sam's arrival at the beginning, and take that time period and really go out into the
