

Few months ago eFx Collectibles announced that they were going to be selling exclusive movie replicas for Marvel's The Avengers. It's still uncertain at what point the announced replicas will go on sale. However, Bryan Ono (President of eFx Collectibles) has stated that Marvel Studio's president Kevin Feige, has actively been involved, and both companies are currently negotiating further deals. It seems like we will still have to wait a little, to get our hands on Thor's hammer or Cap's shield. That being said, eFx just released three variations of the Captain America (USO costume) tour posters, featured in Captain America: The First Avenger. Besides these amazing posters, they will soon release Agent Coulson's blood-spilled Captain America trading cards, as seen in The Avengers. As Seen In The Motion Picture Be sure to visit the official eFx Collectibles website.
