

Now filming has finished on The Amazing Spider-Man, MTV News caught up with Emma Stone at the recent movie awards to ask her about what it was like working on such a CGI and green screen heavy set as well as what, in hindsight, she really should have looked to for inspiration. Tags: Movie Trailers, Movies Blog "We actually just wrapped. [I'd] probably [tell myself to] watch 'Rear Window' and watch Jimmy Stewart react for an entire movie, and figure out if you're able to do that same thing. Reacting to nothing is tougher than you think. I've never had to do that before. Usually you're sort of ping-ponging with people." "It's difficult for me, but maybe that's just me!" With an all star cast that includes Andrew Garfield as Spider-Man, Emma Stone as Gwen Stacy, Denis Leary as Captain George Stacy, Rhys Ifans as Curt Connors, Martin Sheen as Uncle Ben and
