

After the roaring success of Jon Favreau's *The Jungle Book* last year, Walt Disney Studios is all-set to do it again this spring with the arrival of Bill Condon's *Beauty and the Beast*. The upcoming film is a live-action retelling of the 1991 animated classic of the same name and will feature Emma Watson (*Harry Potter*) and Dan Stevens (*Legion*) in the lead roles as Belle and her Beast. The pair will be accompanied by a talented cast that includes Luke Evans, Emma Thompson, Ewan McGregor, Ian McKellen, Kevin Kline, Josh Gad, Stanley Tucci, and Gugu Mbatha-Raw, amongst others, in live-action and motion-capture parts. Disney recently released a new featurette with Watson as she expresses her immense gratitude at getting an opportunity to play her favorite Disney princess. Check it out below:  Plus, here's the new international poster:  Disney's "Beauty and the Beast" is a live-action re-telling of the studio's animated classic which refashions the classic characters from the tale as old as time for a contemporary audience,
