over a week after Luke Cage arrived on Netflix, the first trailer for Iron Fist found its way online  
after debuting at this year's New York Comic-Con. With Legion also on the way and both The  
Punisher and The Defenders in various stages of production, the future is definitely looking  
bright for the future of Marvel superheroes on the small screen regardless of which universe  
they end up calling home. However, it was looking forward that got me thinking about the  
shows we've already seen and how they compare. From the agents who call ABC home
