

Hi Guys... in my ongoing quest to win countless NINJA FIGHTS, teach Nuck how to pee without peeing on himself, protect the innocent with all the sweet kung fu moves I picked up from Powder Puff Girls, and, in general, make the world a better, more sexy place...I've put together a boss list to brighten your stupid day and weed out the...yes...Jerks. 1. You know me...Freckly redheads (hint: boobs) get my lunch money...every damn day. But, yeah...Power Girl. 2. Teabag. I think that's plain as day. 3. With a bullet...Lady Sif...! 4. Poison Ivy...duh...no-brainer here, people. Hot redhead...hallucinogenics? Derp! 5. I'm a DC guy...but, yeah...Spider-Woman. For obvious reasons. And, because we respect everyone and everybody...for our LGBT friends... 6. Cyclops.
