

Here we have our full interview with Damon Lindelof, co-writer of Prometheus. During our chat Damon discusses the themes of the film, what he set out to achieve with the story, and where a possible sequel may take us. He also reveals that the original script draft was very much a proper Alien prequel, complete with some very familiar creatures. Be warned though, if you have yet to see the movie and want to go in blind I would advise you skip it, as we discuss a few very spoilerific things about the ending.. MC: So I don't think Prometheus is going to be what most people are expecting..at all! It certainly wasn't what I thought it was going to be, but I think in a good way overall.. DL: Well in this day and age when so much of the movie gets out there, with so many trailers and all, it's hard
