

Here's a transcription for those who can't watch/hear the audio/video... Why should CBMers buy the Captain America DVD/blu-ray? The exciting thing about it is the behind-the-scenes and "the making of" it, which is really thrilling and I think it gives the audience that little sneak peek into what we as actors and the crew experienced as we spent 8 months working on the film itself. There is a lot of bonus material there that will give people a real hoot and a greater understanding of what it took to make this great movie. Is there a lot of extra stuff with you in it? Maybe a lost sex scene with Chris? (Laughs) No, I don't think people are interested in seeing that. I think they'd rather see Peggy holding a gun. Um. There's a little bit more of me. I haven't seen all of it myself. I've been working on a play in London, but
